

11th December 2017

Dear Parent/Carer,

School uniform

Firstly, could I thank you for supporting our uniform policy. In the main our students conform to our expectations in this area and look smart and presentable for school.

There have been a few issues which we would like to address in the new year. Skirt length on some students is not appropriate and skirts are in some instances too short. Jeans and leggings are not part of our school uniform and footwear should be plain black in colour. Details of our uniform policy can be found in the student planner or on the school website.

If your child is wearing something that is not part of our school uniform then we ask that the situation be addressed for our return to school after the Christmas holidays on 8th January. If this does not happen we will be asking any student contravening our policy to wear items that we have in school. Failure to do this will result in a placement in our Behaviour Support Centre.

Thank you once again for your continued support.

Yours sincerely,

Mrs L. Lobban
Senior Assistant Head Teacher
