Dear Parent/Carer

I am writing to inform you that our Governing Board have agreed to begin a consultation process with regard to Jarrow School converting to Academy status. This will be as part of a Multi Academy Trust with Harton Technology College.

The Governing Board's priority is to enable Jarrow School to continue to provide the best education for our students and Governors believe that conversion would be a positive move for our school.

Many schools in England are now Academies or are currently converting to Academy Status and it is the Government's aspiration to have all schools as Academies by 2022.

We would like to provide you with as much information as possible with regard to this proposal and have uploaded some documents to our website for this purpose:
www.jarrowschool.com

These can also be accessed using the following link: <https://goo.gl/ng4u3N>

If you would prefer a hard copy of the documentation, please do not hesitate to contact the school.

If you would like to submit a written response, please do so by Friday 14 October 2016.

Responses to this consultation can be emailed to: info@jarrowschool.com

or posted to:

Yours sincerely

Mrs J. A. Stokes
