

7th November 2022

Dear Parent/Carer,

Springwell Road Fencing

I am writing to make you aware that birdsmouth fencing will be erected along the edges of Springwell Road at some time over the next few weeks. The grass verges are currently being damaged due to cars parking on the grass. This fencing is therefore to prevent cars gaining access to these areas and to make the area safer for our students and the local community.

Yours sincerely,

Miss J. Gillies
Head Teacher
