

Dear Parent/Carer,

First Charity Week - Exciting Activities for Great Causes!

We hope this letter finds you in good health and high spirits. We are delighted to announce that Jarrow School is organising its very first Charity Week, scheduled to take place from 10th July to 14th July. This initiative aims to instil a sense of empathy, compassion, and community spirit in our students, while also raising funds and awareness for noble causes.

Throughout the week, we have planned a series of engaging activities that will encourage students to actively participate and contribute towards our charitable endeavour. The schedule for each day's activities is as follows:

Monday: Dance-A-Thon. Led by Y10 Dance students, PE lessons will take part in a neon Zumba dance-a-thon, covering four lessons.

Charity: Chloe and Liam Together Forever Trust

Tuesday: KS3 End of Term Disco. Students through Year 7 – 9 are invited to an evening disco held at Jarrow School. Y10 Enterprise students will be providing a tuck shop, raising funds for their chosen charity.

Charity: Hebburn Helps

Wednesday: Bake Sale. Students will have the opportunity to gain a voucher for a special charity cake bake at break time.

Charity: British Heart Foundation

Thursday: Environmental Restoration. Student Council are attending the River Don to support in restoring the local area.

Charity: Tyne Rivers Trust

Friday: Race 4 Life. Students volunteer to take part in a 3km Race 4 Life during the school day, as a group, on the school field.

Charity: Cancer Research UK

We kindly request your support and encouragement to ensure the success of this initiative. Your involvement could range from actively encouraging participation in activities to contributing to the fundraising efforts.

We believe that engaging in acts of kindness and giving back to society will not only shape our students' character but also nurture their sense of social responsibility. Together, we can make a significant impact and teach our children the importance of empathy and generosity.

Across all activities students have the opportunity to take part but can also use this as an activity for personal sponsorship. Donations can be made via sponsorship forms, our JustGiving page below, or by donating items of food / toiletries, particularly for Hebburn Helps.

JustGiving Page: <https://www.justgiving.com/crowdfunding/jarrow-school-1>

More details about each activity, including specific timings and student sign-ups, will be communicated directly with students.

We are excited to embark on this meaningful journey with our students and families. Let us come together as a community to make a positive difference in the lives of others. If you have any questions or would like to know more, please do not hesitate to contact us at 0191 4283200 / shannah@jarrowschool.com.

Thank you for your continued support and generosity.

Yours sincerely

Mr Hannah
Head of Year 10
Jarrow School
