

Dear Parent/Carer,

Year 10/11 Careers Fair: Tuesday 4th November 2025, 5-6.30pm

As part of our careers programme, we are delighted to invite you and your child to our Annual Careers Fair.

Our careers fair offers a fantastic opportunity for students to connect with a wide range of local providers—all in one place. It's a chance to explore different qualifications, discuss future pathways, and gain valuable insights into the world of work. The event is designed to help students consider their career ambitions, ask questions, and discover what options might be right for them.

We are welcoming over 25 providers* to this event, including colleges, 6th forms, universities, training providers, employers, and apprenticeship providers. A small selection of some of the attending organisations are listed below:

Gateshead College	Access Training	Hebburn Town FC
Newcastle College	Zenith Training	British Army
Sunderland College	SETA	Nissan
South Tyneside College	Newcastle Sixth Form College	Ford Aerospace Engineering
University of Sunderland	St Joseph's Sixth Form	Northumbria Police
Durham University	Sunderland Software City	North East Sports Academy

**Should you wish to request a particular provider, or an industry representative then please complete this short feedback form and we will do our very best to accommodate this request - <https://forms.office.com/e/KMEfeFE66F>*

In addition to this, the following staff will be in attendance to support you and your child throughout the evening:

- Mr S Ord – Careers Lead
- Miss C Ridley – Careers Adviser
- Mr S Hannah – Head of Y11
- Mrs A Elgood – Head of Y10

Careers events like this are a valuable opportunity to gain an insight into the key choices ahead. They play an important role in a young person's development by opening up future possibilities, building confidence, and deepening understanding of the world of work. These events also help students explore different pathways, ask informed questions, and begin developing the transferable skills they'll need for future applications and employment.

I do hope to see you and your child at this event. Should you have any further questions in the meantime, you can contact Miss Ridley by email cridley@jarrowschool.com. Students can also get in touch via the Y10/11 Careers & Information Team.

Yours sincerely,

Mr S. Ord
 Associate Assistant Head Teacher: Careers Lead
