

3 April 2025

School Meal Prices

Dear Parents/Carers,

We have received the following information from South Tyneside Catering Services regarding a change in the price of school meals next term.

The cost of a school meal will increase from £2.20 to £2.50. The current charge has not changed since 2018, but unfortunately, the rising cost of providing the service no longer makes this viable. The new charge is in line with other local authorities in the region.

The change will take effect from Monday 28th April when we return to school for the summer term. The new prices will be reflected on the tills in school and on the ParentPay platform.

Yours faithfully

Mr P Atkinson
Headteacher
